

BSAP TRUST

Providing Benevolence to the Members of the United Kingdom Branch

1890 CLUB

As part of the BSAP Trust fund raising activities, we have set up the 1890 Club whereby members, families and friends can contribute a small amount and be in the running for a monthly prize draw. 1890 is synonymous with the founding of the British South Africa Police and Fort Salisbury (although historically different dates are mentioned, 1890 has a nice ring to it!).

On joining the Club and on receipt of payment, participants will be issued a number between 1 and 100 for which the contribution will be £5 per month. At the end of each month a draw takes place and 3 cash prizes awarded to the lucky holders of the winning numbers. If more than 100 persons express interest the numbers can be increased.

It is intended that 1/3 will go in prize draws and 2/3 to the BSAP Trust.

Example: 100 people contribute £5 each. 1st prize: £100, 2nd prize £50, 3rd prize £20
